

SHOWING RESPECT AND APPRECIATING CULTURAL DIVERSITY

When writing your messages, please use the same courtesy that you would show when speaking face-to-face with someone. Insults, personal attacks, sarcasm, and inappropriate language will not be tolerated. It's fine to disagree strongly about someone's opinions, ideas, or facts, but it should always be carried out with respect for the other person.

Please make sure capital letters are off as this is interpreted as shouting.

Administrators and facilitators reserve the right to monitor the content and remove any objectionable material at any time. In extreme cases, participants that have shown disrespect will be un-enrolled from this community. Please email one of the facilitators if you feel that a participant on this community has used inappropriate language in the forums, chats, emails, or instant messages.
